Citizens Police Academy

The Citizen's Police Academy is a revolutionary concept in law enforcement and police/community relations. Academy courses are designed to develop citizen awareness and understanding of the role of law enforcement in today's communities. The Academy is free of charge and open to all citizens' 21 years of age or older who live or work in the City of Terrell.

The 30-hour training program consists of classroom and "hands-on" instruction designed for citizens of all backgrounds and occupations. Topics covered include the officer selection and training process, the job of the

the uniformed patrol officer, investigation skills, use of firearms, communications, crime scene search, evidence collection, undercover narcotics operations, SWAT and tactical operations, and crime prevention.

Students will be actively involved in many interesting activities such as touring the police facilities, using police equipment, firing department weapons, collecting fingerprint evidence, and much more.

There are no written tests or physical fitness requirements. Graduates of this course will not be police officers or vigilantes, but will be better-informed citizens. The graduates will be eligible to attend scheduled follow-up training programs and participate in the Terrell Police "Ride with an Officer" program. All graduates are eligible to join the Terrell Citizen's Police Academy Alumni Association and attend state and na-

tional conventions. All graduates will attend a graduation banquet and receive a certificate of completion, presented by the Chief of Police and the Academy coordinator.

The Citizens Police Academy meets one night a week for ten weeks. The next class is scheduled to start:
