

A Message From the Chief of Police:

March ended with reductions in all crime categories. Index offenses were down 31% compared to February and down 16% compared to FYTD 2019. Violent crimes fell 20% from February and 26% compared to FYTD 2019. Property crimes are down 33% from February's numbers and 15% lower than FYTD 2019.

We suspect that we will see an increase in April's assault numbers as the shelter in place takes its toll on domestic assault cases.

As always, we ask if you see anything suspicious to call the police. It is only with your help that we can keep Terrell safe.

Together we make a difference

Equity, Fairness, Legitimacy and Justice for ALL citizens in the City of Terrell!
