

A Message From the Chief of Police:

We ended August with increases in all UCR categories from July. Total index offenses are up 25% from 52 in September to 65 for August. Violent crimes are up 62% over July with an increase in offenses by 5. 3 of the 5 offenses are attributed to the triple fatality accident that occurred on August 21st. Property crimes increased by 8 offenses.

Compared to the same period last year, we are down 23% in overall index crimes and down 26% in property crimes for this fiscal year. We did increase by 2% in violent crimes however if we factor out the triple fatality accident we would be down by 1%.

Together we are making a difference.

Equity, Fairness, Legitimacy and Justice for ALL citizens in the City of Terrell!
