

**A Message From the Chief of Police:**

February shows a slight increase in offenses as compared to last month. Index offense are up by 7 offenses and property crimes are higher by 3 offenses. Violent crimes showed the largest percentage increase with an additional 4 offenses as compared to last month.

Overall, we see lower crime numbers as compared to February 2017 and compared to Fiscal Year to Date 2017. Thefts showed a small increase up from 40 in January to 41 for February. We as a community can easily reduce these numbers by remembering to remove valuables and to lock and secure our vehicles.

Together we can make a difference.
