

A Message From the Chief of Police:

We ended July with increases in overall Index Offenses by 13%. Most of the increase can be attributed to an increase in assaults, which were up from 7 reported offenses in June to 10 this month. Overall crime numbers were down 23% in all categories compared to this same year to date 2018. Violent crimes down 23% from same period last year.

Together we are making a difference
