

A Message From the Chief of Police:

June ended with increases in Total index offenses, violent crimes and property crimes. Increases in violent crimes are expected with the rise in summer temperatures. Property crimes, which includes thefts, increased by 13 offenses over last month. This increase is attributed to a rise in retail shoplifting.

Overall offenses are down when comparing year to date totals with this same period last year. Burglaries also showed a significant reduction, down 57% from last month.

Stay vigilant and report any suspicious activity.

Together we are making a difference.
