*Note: There is no charge for streetlights; the expenses are paid solely by the City. Each request will be reviewed by the City Engineer's office to determine if streetlights are warranted in the requested location.*

**RESOLUTION NO. 399 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF TERRELL, TEXAS, AMENDING THE STREET LIGHT POLICY.**

**NOW, THEREFORE, BE IT RESOLVED** by the City Council of the City of Terrell, Texas:

**THAT** the Streetlight Policy is hereby amended to read as follows:

1. Street lighting facilities, in other than new subdivisions, shall conform to the recommendations set forth in the latest edition of the Illuminating Engineering Society Handbook where practical.
2. Round tapered standards with bracket arms shall be used. Requests for exceptions may be submitted to the City Engineer's office for consideration.
3. Luminaries shall be provided at the intersections of all paved streets and may be authorized at other locations, as required by adjacent development for vehicular or pedestrian traffic safety. Where intersections are separated by more than 400 feet, mid-block streetlights may be recommended by the City Engineer and approved by the City Manager.

**PASSED AND APPROVED THIS THE 19<sup>TH</sup> DAY OF JUNE, 2001.**

**Please return form to:
